American Islamic College (AIC) is the only Islamic academic institution in the United States that offers both Bachelors and Masters degrees in Islamic Studies. We are currently working on designing both a Masters degree and certificate program in Islamic Chaplaincy. AIC is located in an attractive residential neighborhood at Lake Shore Drive and Irving Park Road in Chicago. The 3.3 acre campus consists of three buildings. The main building is an architectural landmark that houses administrative offices, classrooms, a gymnasium and a 1000 seat auditorium. Other facilities of the College include a library, student dormitory, mosque and a 100 car capacity parking lot. You can contribute by making a one time tax-deductible donation for any amount OR you can make a tax-deductible memorial gift.

What is a Memorial Gift?
Honor a loved one while aiding in the development of AIC’s educational vision by engraving their names on a plaque and placing it in one of several campus locations!
